There has been lots of Boundary Review discussions happening, Feb to April is the open to Preliminary Discussion period, so you are able to send in Letters and Emails to make your opinion heard! There is talks of a new school opening in 2027/28, with that we feel like the City needs to be more helpful with the bussing situation to get the students to and from school. Send any concerns to communications@sd33.bc.ca – Discussion of Vandalism happening in Bathrooms in SD33; We currently have 1 Bathroom Closed at LME due to Vandalism. Discussion of Feeding Features, the program is going well. New fridge is working well. Mr Bateman is still waiting to hear back about what forms of Food Safe are acceptable for Volunteers or PAC Members. Kayla and Lindsey have been working on an Online PAC Volunteer Sign Up Sheet, some questions should be reworded but sounds great otherwise!

E: Playground Sub Committee – Nina, PAC Vice Chair

Received the 1st Draft and Map for more Assessable Playground. Currently working on getting pricing for all of the Playground equipment as well as returfing the Playground space. This would be adding New pieces to the existing

Playground after the returfing. Lots of swinging and rocking equipment for Sensory Fulfilment. Right now our main priority is Resurfacing the Playground. Still looking into different Grant options. There is one that will match the amount that we already have saved for the Playground. Habitat has a 100 year Warranty on their equipment, and SD33 has proven to be really quick and efficient at completing repairs on our Current Playground as needed.

F: Hot Lunch – Sara

Sara not present. Lindsay has offered to help with Hot Lunch Days as needed. Hot Dog PAC Lunch is set for Fri, Jan 16th.
